IN KARATE?

A manga panel showing a boy with spiky black hair and a wide-eyed, enthusiastic expression. He is wearing a white karate gi with a black collar. He is pointing his right index finger towards a girl. The girl has long black hair and is wearing a school uniform with a striped tie. She has a slightly annoyed or skeptical expression. In the background, another boy with glasses and a small ponytail is visible, also looking towards the main characters. There are some star-like motion lines in the top left corner.

HEY,
YOU

EH.

A close-up manga panel showing the faces of the boy and girl. The boy is on the right, looking slightly to the left with a neutral expression. The girl is on the left, looking towards the boy with a questioning or surprised expression. A speech bubble from the girl contains the text "EH."

WITH HER AND
KARASUMI, WE
CAN AIM FOR
NATIONALS!

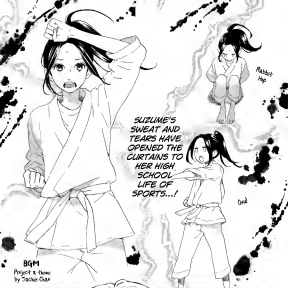

WITH
THIS,

SENPAI I
DISCOVERED AN
OUTSTANDING
TALENT!

A manga panel showing the boy and girl walking away from the viewer. The boy is on the left, wearing his white karate gi, and the girl is on the right, wearing her school uniform. They are both looking back over their shoulders towards the viewer. In the background, there is a building with a grid-like pattern, possibly a window or a fence. There are three speech bubbles: one from the boy saying "WITH HER AND KARASUMI, WE CAN AIM FOR NATIONALS!", one from the girl saying "WITH THIS,", and one from an unseen character saying "SENPAI I DISCOVERED AN OUTSTANDING TALENT!".

THE END

When we both exchanged our comics with each other, it was at that time we realised that we should do this collaboration!

A letter I sent to Comics had this doodle on it and when it was announced that we were going to collaborate on a manga for real, I was surprised. I'll be happy if you guys enjoy it!

Selonsia Mike-chen and Nehayan introduced me to Monshite Suw and we became good friends instantly. Soon after we decided a collaboration was required as soon as possible and before we knew it, the deadline came (laugh)

Who would have thought that was what would happen when we exchanged our volumes. I didn't think we would come this far but if you guys enjoyed our bad joke, then I'm thankful.

If you want to know how much we were going, we were seriously thinking of putting the Hui Chouchoy members and the Hunsika members in Chinese clothing on the cover.
